SUMMARY

Results-oriented web developer, offering extensive experience in design and layout. Highly educated in various programming languages and coding. Looking for a position in a fast-paced company that appreciates hard work, dedication and evolving technical skills.

EXPERIENCE

08/2023 - CURRENT
FRONTEND DEVELOPER (Remote)
Pascal Satori | Melbourne, Australia

- Design and develop custom WordPress websites using Divi Theme Builder, Elementor Pro & Squarespace.
- Collaborate with design and development teams to translate concepts into functional interfaces.
- Customize WordPress themes and plugins to extend functionality and improve user experience.
- Ensure responsive design implementation for optimal viewing across devices.
- Conduct thorough testing and debugging to maintain website performance and integrity.

04/2021 - 2023
FREELANCE WEB DEVELOPER (part-time)
| Nairobi, Kenya

- Write well designed, testable, efficient code by using best software development practices
- Create website layout/user interface by using standard React, HTML/CSS practices
- Integrate data from various back-end services and databases
- Gather and refine specifications and requirements based on technical needs
- Create and maintain software documentation
- Be responsible for maintaining, expanding, and scaling our site
- Stay plugged into emerging technologies/industry trends and apply them into operations and activities
- Cooperate with web designers to match visual design intent
